

Centre for Indian Management: Thought, Practice & Transformations

Vision: Globalizing Indian management thought

Mission: Critically evaluating and concretizing the Indian management thought and practice; developing conceptual frameworks, models and tools, thus helping practitioners to operationalize it.

Objectives:

1. Accumulate resources and literature that can be employed to conduct research in the domain of Indian management.
2. Promote research to augment the scholarly literature in the realm of Indian management to document the principles, practices, perspectives and philosophy of Indian management.
3. Explore and research the thought & philosophical dimensions beyond the realm of tools, practices and strategies to develop a holistic understanding of reality.
4. To create literature that strengthens self-pride in Indians by critically analyzing the cognitive dominance that Indians went through under foreign occupation.
5. Undertaking training & consultancy assignments to institutionalize the practice of Indian management thought.
6. Organizing roundtables of eminent experts in this domain to set the agenda.
7. To establish a sponsored Chair of Indian Management at LM TSM.
8. Develop compendium of scholars working in the domain of Indian management.
9. Strengthen discussion, dialogue and discourse in relation to Indian management thought.
10. To create and promote a curriculum with respect to Indian management.
11. To act as a lab and an incubator of Indian Management so as to nurture and promulgate tools and frameworks of Indian management beyond the domain of business.
